

NLP Practitioner Certification

NLP Practitioner Training

NLP Practitioner certification training is delivered in modules across 4 months. This certification teaches NLP classic code and new code methodologies.

NLP & Mind Skills Mastery workshop forms part 1 of the certification process. Delivered across 2 weekends, this introduces the foundations of NLP and some of the applications. It is a public enrolment training which contributes to NLP Practitioner certification.

NLP Foundations is a four day training delivered over two sessions. This course provides certification in Advanced Business Communication. It is a standalone course and forms Part 2 of NLP Practitioner Certification.

NLP Comprehensive is ten day training across three sessions and completes NLP Practitioner training.

NLP & Mind Skills Mastery consists of 4 days training. You will be introduced to the basics of NLP and some of the personal applications including

- rapport
- state
- the structure of communication
- well formed outcomes
- perceptual positions
- values and beliefs
- relationship models

NLP Foundations consists of 4 days training. You will learn all of the foundations of NLP including

- sensory acuity
- presuppositions
- anchoring
- TOTE model
- the Meta Model
- flexibility and calibration behavioural communication

NLP Comprehensive consists of 10 days training. You will learn the elements of applied NLP including

- new code spatial patterns
- classic code intervention patterns
- time line
- the Milton Model
- reframing, phobia and trauma reduction patterns
- Satir categories
- parts integration and negotiation
- coaching yourself and others

This NLP Practitioner training provides qualifying recipients with an internationally recognised certificate of NLP Practitioner under the Professional Guild of NLP. Practitioner certification also qualifies you to coach and apply NLP to clients and organisations.
